

Communication Studies – Bachelor level

Semester package for study activities

The Department of Communication and Arts welcomes exchange students to join the International Study Programme offered in English

Semesters at Roskilde University

- A semester at Roskilde University is always 30 ECTS – a course package is equivalent to 30 ECTS
- All students must complete a project of 15 ECTS and course activities of 15 ECTS

Choose a semester package

If you choose a package you will benefit from:

- No overlap in lectures and exams
- Your activities will most likely be with the same group of fellow students
- Project and courses within each package work together in order to give you more than each activity gives on its own

Flexibility

Unfortunately, there is no flexibility in this package. When choosing this package in Communication Studies, you must take the whole package of 30 ECTS and cannot mix or skip any activities, as this package is fixed.

This also means that if you choose another package, you cannot choose any of the study activities within Communication Studies package.

Notice

Please note that the study activity offer is confirmed but course information is being updated and can change until it opens by 01 June for RUC students to choose for the autumn semester.

Group formation

A project is always group work ongoing throughout the semester. The project starts with a group formation process in the beginning of the semester. The group formation process is facilitated by academic staff in order to find a specific topic and group members within the field of study. It is not possible to do a project alone or to do a semester without a project if there is a project within the semester package.

Exam period

Project exams are oral group exams held in the project exam period (always the last 2 weeks of the semester) and require physical presence.
