INFORMATION FOR INSTITUTIONS

Who should complete this form?
This form must be completed, signed, and stamped by the applicant's educational institution. If the applicant's qualification is based on studies from two or more institutions and/or includes higher education studies, each relevant institution must complete a separate form.

If the completed Verification Form exceeds one page, each page must be signed and stamped by the issuing institution.
If the student has more subjects than can be listed on a single form, the student is welcome to submit additional Verification Forms.

Please note:

- Teaching hours must be stated as **60-minute lessons**.
- If lessons are recorded as 45-minute lessons, please convert them to 60-minute lessons.
- Teaching hours must only include **classroom instruction and mandatory supervised activities**. Self-study, preparation time, homework, if available, please also state the hours allocated to preparation/self-study separately. These hours must not be included in the teaching hours column.
- If exact teaching hours are not available, please provide the best documented estimate and explain how the figure was calculated.
- Only passed subjects, and subjects expected to be passed, may be included.
- Please report the final course grade as it appears on the official transcript. Do not convert grades into another grading scale.
